CAUTION:

- **Exhaustion of State Court Remedies:** In order to proceed in federal court you must ordinarily first exhaust your state court remedies as to each ground on which you request action by the federal court. This means that even if you have exhausted some grounds by raising them before the California Supreme Court, you must first present *all* other grounds to the California Supreme Court before raising them in your federal Petition.
- **Single Petition:** If you fail to set forth all grounds in this Petition challenging a specific judgment, you may be barred from presenting additional grounds challenging the same judgment at a later date.
- **Factual Specificity:** You must state facts, not conclusions, in support of your grounds. For example, if you are claiming incompetence of counsel you must state facts specifically setting forth what your attorney did or failed to do. A rule of thumb to follow is — state who did exactly what to violate your federal constitutional rights at what time or place.

GROUND FOR RELIEF

22. State *concisely* every ground on which you claim that you are being held in violation of the constitution, law or treaties of the United States. Summarize *briefly* the facts supporting each ground. (e.g. what happened during the state proceedings that you contend resulted in a violation of the constitution, law or treaties of the United States.) If necessary, you may attach pages stating additional grounds and/or facts supporting each ground.

(a) **GROUND ONE:** (See Attached) Ground 1

Supporting FACTS: (See Attached)

Did you raise **GROUND ONE** in the **California Supreme Court**?

☐ Yes ☒ No Please See Request for Stay and Abeyance
(Exh. H)

If yes, answer the following:

- (1) Nature of proceeding (i.e., petition for review, habeas petition): *Plaintiff*
- (2) Case number or citation: *Doak 320*
- (3) Result (attach a copy of the court's opinion or order if available):

Ground 1 (Argument 2)

- 1) Petitioner was deprived of his Fifth, Sixth and
- 2) Fourteenth Amendment rights when his appellate counsel
- 3) failed to raise an arguable issue on direct appeal that
- 4) the trial court erred in failing to instruct the jury
- 5) that 'General Intent' applied to the lesser included
- 6) offense and erred in failing to instruct the jury
- 7) that Calgic 9.00 'Assault Defined' is the same jury
- 8) instruction for the lesser included offense of
- 9) Simple assault for Count 2 Assault with a firearm.

10) Supporting facts:

- 11) Petitioner contends that he was denied his
- 12) Constitutional right to effective assistance of counsel
- 13) and deprived of due process of the law when his
- 14) appellate counsel failed to raise an arguable issue
- 15) on direct appeal that the trial court prejudicially
- 16) erred in failing to sua sponte instruct the jury
- 17) that Calgic 3.30 'General Intent' applied to the
- 18) lesser included offense Pen C § 240 and erred in
- 19) failing to sua sponte instruct the jury that
- 20) Calgic 9.00 'Assault Defined' is the same jury
- 21) instruction for the lesser included offense of Simple
- 22) Assault Pen C § 240 for Count 2 Assault with a
- 23) firearm Pen C § 245(a)(2)

24)

Ground 1 (Argument 1)

- 1) Petitioner was deprived of his Fifth, Sixth and Fourteenth
- 2) Amendment rights when his appellate counsel failed to raise
- 3) an arguable issue on direct appeal that the trial court erred
- 4) by instructing the jury on Caljic 17.01.
- 5)
- 6) Supporting facts:
- 7) Petitioner contends that he was denied his Constitutional
- 8) right to effective assistance of counsel and deprived of due
- 9) process of the law when his appellate counsel failed to raise
- 10) an arguable issue on direct appeal that the trial court
- 11) committed a reversible error by instructing the jury on Caljic ~~17.01~~
- 12) 17.01. Verdict may be based on a number of unlawful acts.
- 13)
- 14) Petitioner notes that on or about September 12, 2004
- 15) he was charged with an assault upon Jose Castro with
- 16) a firearm, in violation of Penal Code Section 245(a)(2). (See
- 17) CT 01 and CT 02)
- 18)
- 19) Petitioner asserts that he went to trial and after
- 20) all the evidence was presented, both the defense and the
- 21) prosecution rested (See RT 265) The trial court then
- 22) instructed the jury on several jury instructions (See RT 284-301)
- 23) It wasn't until after both the prosecution and defense presented
- 24) their closing arguments, that the trial court decided to give
- 25) Caljic 17.01. (See RT 322; RT 323)

Ground 1 (Argument 1) Supporting facts continued:

- 1) Petitioner* claims that he was denied his Constitutional
- 2) rights to know the charges against him, denied his
- 3) Constitutional rights to a fair trial and deprived of due
- 4) process of the law when the trial court prejudicially instructed
- 5) the jury on Caljic 17.01 Verdict may be based on one of a
- 6) number of unlawful acts. Petitioner bases this claim on the
- 7) following facts: The trial court stated:
- 8) The Court: "And just for the record, there was one additional
- 9) instruction that I just discussed with the attorneys that the
- 10) Court will give. It is Caljic 17.01, and both attorneys have
- 11) agreed to it."
- 12) "The defendant is accused of having committed the crime
- 13) of Assault with a firearm in Count 2. The prosecution has
- 14) introduced evidence for the purpose of showing that there is
- 15) more than one act which a conviction on Count 2 may be
- 16) based. Defendant maybe found guilty if the proof shows beyond
- 17) a reasonable doubt that he committed anyone or more of the
- 18) acts. However, in order to return a verdict of guilty to Count 2,
- 19) all 12 jurors must agree that he committed the same act. It
- 20) is not necessary that the particular act agreed upon be stated
- 21) in your verdict" (See RT 322 (19-20))
- 22) "Now let me explain what that means. You've heard
- 23) evidence of certain events that occurred inside the apartment.
- 24) You've also heard evidence, I believe, of the defendant holding
- 25) the gun in a certain manner while he was downstairs, I think,

Ground 1 (Argument 1) Supporting facts continued:

- 1) in the parking lot. The prosecution has argued that
- 2) either one of the events could support a conviction for Count 2.
- 3) What this instruction means is that all 12 of you just agree
- 4) on which event or act occurred before you can find
- 5) the defendant guilty." (RT 323 (1-4)).
- 6) "If, for example, 6 jurors feels that what happened in
- 7) the apartment is sufficient for a guilty of Count 2, but not
- 8) what happened downstairs, and the other 6 think downstairs
- 9) but not what happened up in the apartment, you can't go
- 10) 6 plus 6 to make 12. All 12 of you have to agree that the
- 11) defendant committed the same act in order to find him guilty
- 12) of Count 2. You can't go 6 and 6 or 8 and 4 (See RT 323 (10-16)).
- 13.)

- 14) Petitioner proclaims that these are the judge's statements
- 15) to Caljic 17.01. However, petitioner basis this argument
- 16) on the following facts:

- 17) Petitioner make notice that he was only charged
- 18) with one Count of assault upon Jose Castro with a firearm,
- 19) in violation of Pen C § 245(a)(2) (See CT 01 and CT 02)
- 20)

- 21) Petitioner claims that he was prejudicially denied
- 22) his Constitutional rights to know the charges against
- 23) him, prejudicially denied his Constitutional right to
- 24) confront and cross-examine the witness against him and
- 25) prejudicially deprived of due process of the law when the

Ground 1 (Supporting facts) (Argument 1) Supporting facts continued:

1) trial court prejudicially erred by instructing the jury on
 2) Caljic 17.01 "Verdict may be based on one of ~~more~~ a
 3) number of unlawful acts." Petitioner bases this claim on the
 4) following facts:

5)
 6) Petitioner asserts that he exercised his Constitutional
 7) rights to a fair and impartial jury trial and after all
 8) the evidence was presented, both the defense and the
 9) prosecution rested their case. (RT 265). The trial court
 10) then instructed the jury on several jury instructions. (RT
 11) 284-301) It wasn't until after both the prosecution and
 12) defense presented their closing arguments, the trial court
 13) decided to give Caljic 17.01 jury instruction (See RT 322; RT 323)

14)
 15) However, because the trial court instructed the jury on
 16) Caljic 17.01, gave the jury an alternate theory from which the
 17) petitioner could be found ~~or~~ guilty of for Count 2
 18) Assault with a firearm, Pen C § 245(a)(2). The alternate
 19) theory was based on evidence the prosecution presented
 20) during trial, that the petitioner pointed the gun while
 21) down in the parking lot. Petitioner offers the following
 22) facts light most favorable to the prosecution's evidence:

23)
 24) Nina Talvera, testified that she lived in Bella Vista
 25) apartments (RT 168) and awoke on the night of Sep. 12, 2004,
 4 of 9

Ground 1 (Argument 1) Supporting facts continued:

- 1) to lots of yelling (RT 169). Talvera stated she lived on the
- 2) ground level and was about 20 feet from the altercation (RT 170
- 3) (1-7)). Talvera next gave the following testimony:
- 4) "I saw Mr. Cunningham coming downstairs with something
- 5) in his hand, and Chris was yelling at him, and they were
- 6) yelling at each other. And, then, when Mr. Cunningham was on
- 7) the ground, he had something at his side. I couldn't tell
- 8) whether it was a bat. It looks like a bat from where I was.
- 9) And he -- and then Chris, Mr. Knox, told him that he if he
- 10) came up there again, he would kill him. And then Chris -- or
- 11) sorry -- Mr. Cunningham yelled back at him, and he raised
- 12) the -- what I thought was a bat -- in the air (see RT 170 (9-17)).
- 13)
- 14) * Talvera told the police that it could have been a bat or a
- 15) shotgun (RT 170 (18-27)). Talvera also stated that Cunningham
- 16) was yelling back at (Christopher Knox) same type of things
- 17) (see RT 172 (18-22)). (Deducted from the prosecution evidence,
- 18) apparently, since Chris, Mr. Knox told petitioner that he
- 19) would kill him, petitioner was also telling Christopher Knox
- 20) that he would kill him). While, Talvera stated Castro was
- 21) also standing and yelling from the top of the stairs (RT 173),
- 22) Castro testified that he was in the room the entire time (RT 35 (17-25)
- 23)
- 24) Additionally, the prosecution asked Talvera the
- 25) following questions:

Ground 1 (Argument 1) Supporting facts Continued:

- 1) By Mr. Link: (prosecutor) Q. "When Mr. Knox was yelling down
- 2) into the parking lot, was the defendant yelling back?"
- 3) Talvera (the witness): A. "yes".
- 4) Mr. Link: (prosecutor) Q. "At some point, you said he pointed
- 5) whatever it was a bat or a shotgun, towards Mr. Knox"?
- 6) Talvera (the witness): A. "Up that way"
- 7) Talvera (the witness): A. "Up in that direction"
- 8) (See RT 174 (19-26)).
- 9)

10) In addition, the prosecution made the following

11) statements to the jury during closing arguments:

- 12) "That's as far as just being down in the parking
- 13) lot and pointing it upward and saying, "I'm going to F-ing
- 14) Kill you". That's an assault with a deadly weapon" (See RT
- 15) 308 (1-2)).

16) "We've got assaults with a deadly weapon all

17) over the place." (See RT 308 (3-4)).

- 18)
- 19) Thus, presented from the prosecution's perspective, and if
- 20) the jury believed Talvera testimony, there would be reasonable
- 21) substantial evidence presented that, while petitioner was down
- 22) in the parking lot, he pointed the gun toward Christopher Knox
- 23) on the balcony and even though Christopher Knox and
- 24) petitioner was yelling back an forth, they both threatened
- 25) to Kill each other. (Which would be consistent with a finding

Ground 1 (Argument 1) Supporting facts continued:

1) of an assault upon Chris Knox, in violation of

2) Pen C § 245(a)(2).

3) Also not to go unnoticed, while the trial court

4) stated "the victim in the case is Castro, not Knox"

5) (RT 179 (18-19)), and "the People aren't going to be

6) allowed to argue that he's a victim of any of these

7) crimes" (RT 179 (21-22)) was an erroneously given

8) statement and a prejudicial error on the part of the

9) trial court for instructing the jury on Caljic 17.01

10) (See RT 322) and explaining to the jury that they

11) could find the petitioner 'guilty' of an alternate

12) theory as to Count 2 (See RT 323), (if the evidence

13) shows that petitioner pointed the gun and was

14) yelling threats at Christopher Knox (RT 174 (19-26)),

15) while down in the parking lot, advertently or

16) inadvertently prejudicially made Christopher Knox

17) an alleged victim, as to petitioner's Count 2

18) Assault with a firearm, in violation of Pen C § 245(a)(2).

19)

20) Petitioner asserts that the jury would have had

21) to reject Castro's alleged assault and more than

22) likely than not excepted the alleged assault while

23) down in the parking lot because as Castro testified, ~~he~~

24) ~~he~~ that on September 12, 2004, the day this

25) incident occurred he was taking medication (RT 42)

Ground 1 (Argument 1) Supporting facts continued

- 1) he was feeling confused (RT 42-43(1-8)), his
- 2) memory was a little fuzzy and has a mental disorder
- 3) (RT 48(15-22)). Castro testified, they call him 5150
- 4) (RT 49), he hears things, noise, a lot of yelling at him
- 5) and "most importantly," People comes to Kill him
- 6) (RT 50 (8-10)), similar to the events that occurred in
- 7) the apartment (RT 50 (13-14)). Moreover, the jury would
- 8) have had to reject Castro's testimony because the jury
- 9) found petitioner 'not guilty' on Count 1 Residential
- 10) Burglary (see RT 336), so this was a close case and
- 11) since Castro testified that petitioner busted / threw
- 12) in the door (RT 30-31), had a short rifle (RT 31-32),
- 13) put his hand on the trigger (RT 32), put the gun to
- 14) Castro's throat (RT 32) and stated, I'll come back
- 15) and Kill you all (RT 33(1-19)). (All of which would have
- 16) supported a guilty finding on Count 1 Residential
- 17) Burglary).

18)

- 19) Therefore, for each of these foregoing reasons, petitioner
- 20) argues that since the trial court instructed the jury on Caljic 17.01
- 21) (see RT 322-323), after both the defense and the prosecution rested
- 22) their case (RT 265) prejudicially denied him of his constitutional rights
- 23) to a fair trial and due process of the law because petitioner was never
- 24) advised of the charges against him (that Christopher Knox was an
- 25) alleged victim to Count 2 Assault with a firearm Pen C §

Ground 1 (Argument 1) Supporting facts Continued:

- 1) 245(a)(2). Wherefore, at the very least, there was no time
- 2) or opportunity to craft a defense, no opportunity to ~~craft~~
- 3) ~~overseer~~ consult with legal counsel for the purpose of
- 4) participating in his own defense, or no opportunity to
- 5) speak in his own defense, and thus, was taken by surprise
- 6) by not only evidence offered at trial, but also by an
- 7) erroneously given jury instruction Caljic 17.01, that was
- 8) given by the trial Court. Petitioner also argues that,
- 9) most importantly, since the trial court instructed the
- 10) jury on Caljic 17.01 and prejudicially made
- 11) Christopher Knox an alleged victim, denied petitioner
- 12) his Constitutional rights to a fair trial, denied
- 13) petitioner his Constitutional rights to confront and
- 14) cross-examine the witness against him and
- 15) deprived the petitioner of due process of the law
- 16)
- 17) because "Christopher Knox" was never called
- 18)
- 19) as a witness during trial (See RT 180 (4-6)),
- 20)
- 21) and thus, reversal is highly, highly required.!!!
- 22)
- 23)
- 24)
- 25)

Ground 1 (Argument 1) Supporting cases, rules or other authority:

- 1) 1) "Due process of the law requires that an accused be
- 2) advised of the charges against him in order that he may have a
- 3) reasonable opportunity to prepare and present his defense and
- 4) not be taken by surprise by evidence offered at his trial."
- 5) [Citation] (People v. Lohbauer, supra, 29 Cal.3d 364, 367-368, *italics added*)
- 6)
- 7) 2) Provisions of the Penal Code which govern pleading of
- 8) offenses (see, e.g., §§ 950, 952), ensures that the defendant
- 9) receives the notice which he is guaranteed by the Sixth and
- 10) Fourteenth Amendment. (See People v. West, supra, 3 Cal.3d 595, 612;
- 11) In re Hess (1955) 45 Cal.2d 171, 174-175 [288 P.2d 5].
- 12)
- 13) 3) The confrontation clauses of both the federal and
- 14) State Constitutions guarantee a criminal defendant the
- 15) right to confront the prosecution's witnesses. (U.S. Const., 6th
- 16) Amend; Cal. Const. art. I, §15).
- 17)
- 18) 4) The confrontation clause guarantees criminal defendants'
- 19) the right to cross-examination. (Davis v. Alaska (1974) 415 U.S. 308
- 20) 315-316, 39 L.Ed. 2d 347, 94 S.Ct. 1105.)
- 21)
- 22) 5) The right of an accused to due process of law's in essence,
- 23) the right to a fair opportunity to defend against the State's
- 24) accusations. (Chambers v. Mississippi (1973) 410 U.S. 284, 294
- 25) [35 L.Ed. 2d 297, 308, 93 S.Ct. 1038])

Ground 1 (Argument 1) Supporting Cases, rules or other authority continued:

- 1.) 6.)^{*} The right to confront and cross-examine witnesses and
- 2.) to call witnesses in one's own behalf have long been recognized
- 3.) as essential to due process. (Mr Justice Black, writing for the
- 4.) Court in *In re Oliver*, 333 U.S. 257, 273, 92 L.Ed 682, 68 S.Ct. 499
- 5.) (1948), identified these rights as among the minimum essentials
- 6.) of a fair trial:
- 7.) "A person's right to reasonable notice of a charge
- 8.) against him, and an opportunity to be heard in his
- 9.) defense - a right to his day in court - are basic in
- 10.) our system of jurisprudence; and these rights
- 11.) include, as a minimum, a right to examine the
- 12.) * witnesses against him; to offer testimony, and to
- 13.) be represented by counsel."
- 14.) (See also *Morrissey v. Brewer*, 408 U.S. 471, 488-489, 33 L.Ed.2d

Ground 1 (Argument 2) Supporting facts Continued:

- 1) Petitioner notes that he was charged in
- 2) Count 2 Assault with a firearm in violation of Pen
- 3) C§ 245(a)(2) (See CT 01 and CT 02). The trial court,
- 4) prosecution and defense agreed to instruct the
- 5) jury on simple assault Pen C§ 240, as a lesser
- 6) included offense of Count 2 Assault with a
- 7) firearm Pen C§ 245(a)(2). (See RT 274 (10-28);
- 8) RT 275(1-9)).

- 9)
- 10) However, the trial court instructed the jury
- 11) on Calgic 3.30 for Counts 2, 3 and 4, but upon
- 12) further review of the petitioner's Reporter Transcripts,
- 13) the trial court prejudicially erred in failing to
- 14) sua sponte instruct the jury on Calgic 3.30
- 15) 'General Intent' element of the lesser included
- 16) offense of Simple Assault Pen C§ 240 (See CT 39;
- 17) See also RT 294 (1-10)).

- 18)
- 19) Also not to go unnoticed, upon further review
- 20) of the petitioner's Reporter's Transcript, the trial
- 21) court prejudicially erred in failing to instruct the
- 22) jury that Calgic 9.00 'Assault Defined' jury
- 23) instruction was the same jury instruction for
- 24) Simple Assault Pen C§ 240. Petitioner makes
- 25) this foregoing assumption on the following facts:

Ground 1 (Argument 2) Supporting facts Continued:

1.) Calgic 9.00 jury instruction is both
2.) the jury instruction for Simple Assault Pen C&S 240
3.) and 'Assault Defined' for any assault. (See Calgic 9.00)

5.) 2.) Being that petitioner was charged with
6.) Count 2 Assault with a firearm Pen C&S 245(a)(2).
7.) (See CT 01 and CT 02), the trial court had to give
8.) Calgic 9.00 'Assault Defined' jury instruction for
9.) Count 2 Assault with a firearm Pen C&S 245(a)(2)
10.) (See CT 44; CT 45; RT 295 (18-28); RT 296 (1-23); see
11.) also use note for Calgic 9.02 jury instruction)

13.) 3.) Moreover, when the trial court instructed
14.) the jury on the lesser included offense of
15.) Simple Assault Pen C&S 240 (See CT 51; CT 52; RT 299-301)
16.) the trial court prejudicially erred in failing to
17.) either sua sponte re-instruct the jury on Calgic
18.) 9.00 Simple Assault Pen C&S 240 / Assault Defined,
19.) or at the minimum of minimums instructed the
20.) jury that the previously given Calgic 9.00 'Assault
21.) Defined' (See RT 295-297) applied to the lesser
22.) included offense of Simple Assault Pen C&S 240
23.) (See RT 299-301)

25.) Petitioner proclaims that he was ~~deprived~~
26.) deprived of his Constitutional rights because
27.) the jury was never instructed or alerted to
28.) the general principles of law relevant to the

Ground 1 (Argument 2) Supporting facts Continued:

- 1) the lesser included offense of simple assault
- 2) Pen C § 240, since the trial court gave no
- 3) indication or even mentioned that the previously
- 4) given Caljic 9.00 'Assault Defined' instruction
- 5) (RT 295-297) was the same exact jury instruction
- 6) and elements for the lesser included offense
- 7) Simple Assault Pen C § 240 (See RT 299-301)
- 8)
- 9) Petitioner claims that since the trial court
- 10) erred in failing to sua sponte instruct the jury
- 11) on the 'General Intent' element of the lesser
- 12) included offense of Pen C § 240 and erred in
- 13) failing to sua-spontе re-instruct the jury on
- 14) Caljic 9.00 Simple Assault Pen C § 240 / Assault
- 15) Defined, or at the minimum of minimums instructed
- 16) the jury that the previously given 'Assault Defined'
- 17) Caljic 9.00 jury instruction, was the same exact
- 18) jury instruction and elements for the lesser
- 19) included offense Pen C § 240, was not a harmless
- 20) error. Had the jury been properly instructed on
- 21) the foregoing jury instructions, elements and the
- 22) general principles of law that is relevant to
- 23) and governing the jury's proper understanding of
- 24) the lesser included offense Simple Assault Pen
- 25) C § 240, might have essentially tipped the scales
- 26) in the petitioner's favor and the jury would
- 27) have found in favor of the petitioner on the
- 28) lesser included offense of Simple Assault

Ground 1 (Argument 2) Supporting facts continued:

1) Pen C § 240.

2)

3) Petitioner basis this claim on the following

4) trial court's comment:

5) "Well, there is evidence, though, of the --

6) Down on the ground floor kind of waving
7) the rifle towards the people on the

8) balcony. That might be considered, I

9) suppose, simple assault, if he wasn't

10) aiming at anyone". (See RT 274 (25-28)).

11)

12) Therefore, petitioner argues that for each of
13) these foregoing reasons the trial court's failure to

14) sua sponte instruct the jury on the lesser included

15) offense of Simple Assault Pen C § 240 for Count 2

16) Assault with a firearm Pen C § 245(a)(2), was not

17) a harmless error and so painfully prejudiced the

18) petitioner's ability to defend against the charges

19) since the jury was never instructed on the necessary

20) general principles of law that is governing the

21) essential elements of the lesser included offense of

22) Simple Assault Pen C § 240, so that the jury could

23) arrive at a just verdict of Count 2 Assault with

24) a firearm, and thus reversal is highly required.

25)

26) Petitioner also contends that this error

27) should have been raised by his appellate counsel

28) on direct appeal. The duties which appointed

Ground 1 (Argument 2) Supporting facts continued:

- 1) appellate counsel must fulfill his or her

Ground 1 (Argument 3)

- 1.) Petitioner was deprived of his Fifth, Sixth and
- 2.) Fourteenth Amendment rights when his appellate
- 3.) Counsel failed to raise an arguable issue on direct
- 4.) appeal that the trial court erred in failing to sua
- 5.) sponte instruct the jury that 'General Intent' applied
- 6.) to Caljic 17.19 jury instruction, Personal use of a
- 7.) firearm enhancement allegation.

8.) Supporting facts:

- 10.) Petitioner contends that he was denied his
- 11.) Constitutional rights to effective assistance of counsel
- 12.) and deprived of due process of the law when his
- 13.) appellate counsel should have raised an arguable issue
- 14.) on direct appeal that the trial court erred and
- 15.) committed a reversible error by failing to sua sponte
- 16.) instruct the jury that Caljic 3.30 'General Intent'
- 17.) applied to Caljic 17.19, Personal use of a firearm
- 18.) enhancement allegation.

- 19.)
- 20.) Petitioner notes that he was charged in Count 1
- 21.) Residential Burglary Pen C § 459 and Pen C § 460.
- 22.) Count 2 Charged Assault with a firearm Pen C §

- 24.) enhancement allegation in violation of Pen C § 12022.5(a).
- 25.) (See CT 01 and CT 02).

Ground 1 (Argument 3) Supporting facts Continued:

1.) Petitioner asserts that the trial court instructed the
2.) jury on Caljic 3.30 'General Intent' for Count(s) 2, 3
3.) and 4. (See CT 39; See also RT 294 (1-10). The trial
4.) court also instructed the jury on Caljic 17.19, for
5.) the personal use of a firearm enhancement allegation.
6.) (See CT 50; Pen C § 12022.5(a); See also RT 298-299 (1-5).
7.)

8.) However, upon further review of Petitioner's

14.) 39; RT 294 (1-10); See also RT 284-301)
15.)

16.) Wherefore, the trial courts failure to properly
17.) instruct the jury that 'general intent' applied to
18.) Caljic 17.19, the personal use of a firearm enhancement
19.) allegation Pen C § 12022.5(a), deprived the petitioner
20.) of his Fifth Amendment right because it lightened the
21.) prosecution's burden of proof of every element of a
22.) crime beyond a reasonable doubt. In addition,
23.) Caljic 17.19, thus has a major gap because it makes
24.) no mention of the mental state which must
25.) accompany the menacing display variety of personal

Ground 1 (Argument 3) Supporting facts Continued:

- 1) use, in which Caljic 3.30 'General Intent' jury
- 2) instruction must be given. Moreover, had the jury
- 3) been instructed on the 'general intent' element in
- 4) Caljic 17.19, as to the personal use of an enhancement
- 5) allegation Pen C § 12022.5(a), alleged in Count(s) 1 and 2,
- 6) might have essentially tipped the scales in the
- 7) petitioner's favor and the jury would have the
- 8) petitioner 'not guilty' on the personal use of a
- 9) firearm enhancement allegation, that the jury found
- 10) him guilty of in Count 2. (See CT 65; See also RT 336-339)
- 11)

- 12) Therefore, Petitioner argues that the trial court's

- 15) firearm enhancement allegation Pen C § 12022.5(a), was

Ground 1 (Argument 4)

1) Petitioner was deprived of his Fifth, Sixth
2) and Fourteenth Amendment rights when his appellate
3) failed to raise an arguable issue on direct appeal that
4) the trial court erred in failing to sua sponte instruct
5) the jury that Pen C § 12022(a) or 12022.3(b), was a
6) lesser included enhancement of Personally using a
7) firearm Pen C § 12022.5(a).

8)
9) Supporting facts:

10) Petitioner contends that he was denied his
11) Constitutional right to effective assistance of
12) counsel and deprived of due process of the law
13) when his appellate counsel should have raised an
14) arguable issue on direct appeal that the trial court
15) committed reversible error by failing to sua
16) sponte instruct the jury that Pen C § 12022(a) or
17) 12022.3(b), was a lesser included enhancement of
18) Personally using a firearm Pen C § 12022.5(a), as
19) alleged in Count(s) 1 and 2.

20)
21) Petitioner notes that he was charged in Count 1
22) Residential Burglary Pen C § 459 and § 460.
23) Count 2 charged Assault with a firearm Pen C §
24) 245(a)(2). Both Counts also alleged a Personal use of
25) a fire arm in violation of Pen C § 12022.5(a) (See CTO1 and CTO2)

Ground 1 (Argument 4) Supporting facts Continued:

1) Petitioner claims that the trial court should
2) have on its own motion instructed the jury on the
3) elements of Pen C § 12022(a) or § 12022.3(b) because
4) the jury had evidence deserving of consideration which
5) would support a finding that the ~~was~~ Petitioner.

8) Wherefore, had the jury been instructed on

10) firearm Pen C §§ 12022(a) or 12022.3(b) for the

12) that the petitioner was found 'guilty' of in Count 2
13) (See CT 65; See also RT 336-339), it is more likely
14) than not that the jury would have opted to choose
15) the lesser included enhancement allegation. Petitioner
16) basis this argument on the following supporting testimony:
17)

18) Petitioner testified that on September 12, 2004,
19) he was employed as an automation general welder,
20) and also did part time landscape work on the
21) weekends. (See RT 210; RT 211, RT 216). He lived in
22) Bella Vista apartments where he had lived for 16

- 3) like that (See RT 212; RT 213) Chris Knox and Petitioner
- 4) were friends at first (See RT 213), but a few months
- 5) before September 2004, Chris Knox threatened
- 6) petitioner with a bat after petitioner confronted
- 7) Rebecca Knox about putting a "bogus check" into
- 8) petitioner's account (See RT 214; RT 215) Chris Knox then
- 9) flew off the handle and threatened to hit petitioner
- 10) with a bat. (See RT 215).

11.)

- 12) On September 12, 2004, petitioner worked a
- 13) side landscaping job (See RT 215) He left home
- 14) around 5:00 or 5:30 pm and returned around 10:00
- 15) or 10:30 pm. Before leaving, he saw Castro and Chris
- 16) Knox. He did not know Castro and was not speaking
- 17) with Mr. Knox. (See RT 216) When petitioner left, he
- 18) left his windows open because it was over 100
- 19) degrees (RT 217; RT 233) When he returned home, he
- 20) found his daughter's bike missing and someone had

- 22) daughter's clothes were missing along with his cell

Ground 1 (Argument 4) Supporting Facts Continued:

- 8.) Petitioner then went upstairs to the Knoxes

- 11.) Petitioner claimed that they had taken property in

- 14.) (See RT 220) Petitioner also claimed that the Knoxes'
- 15.) prior roommates took things from his balcony and

- 17.) Castro then told petitioner that Rebecca Know

- 19.) When petitioner returned, he saw Rebecca and

- 21.) yelling at him (See RT 222) Petitioner then went
- 22.) inside his house and armed himself with his

- 1) ~~rag~~ head, requiring 16 stitches (See RT 222 (19-23))
- 2) and was afraid of Chris Knox because of the bat

- 4)
- 5) Petitioner was told by Rebecca Knox that
- 6) he could come up and look for his property (See
- 7) RT 223) Petitioner did not go inside the Knoxes
- 8) apartment because Chris Knox came out with a
- 9) bat. (See RT 223.) Petitioner said that he would get
- 10) back at them at call the police. (See RT 224)

- 11)
- 12) Petitioner denied hitting Castro, denied
- 13) pointing a gun at Castro (See RT 224 (7-8)) and held
- 14) the gun at his side the entire time (See RT 224
- 15) (9-11). Petitioner also denied ever pointing the gun
- 16) at anybody in the apartment (See RT 224 (12-14));
- 17) See also RT 224 (25-28); RT 225 (1-2)). Petitioner
- 18) contended that the only contact that he had with
- 19) Castro was to ask him if he had petitioner's
- 20) phone (See RT 225)

- 21)
- 22) Petitioner then went downstairs and to his
- 23) car. Meanwhile, Chris Knox was yelling threats at
- 24) petitioner (See RT 226) Petitioner laid the gun on
- 25) the floor board of his blue toyota truck. Then he

Ground 1 (Argument 4) Supporting facts Continued:

- 1) drove towards the freeway to head west (See RT 227),

- 3) When petitioner saw the police follow him, he threw
- 4) the gun out the window because he was afraid of
- 5) getting shot (See RT 227). Petitioner then immediately
- 6) submitted to law enforcement authority and
- 7) cooperated fully when he was stopped (See RT 159; 164)
- 8)

- 9) Nina Talvera (prosecution witness) testified that
- 10) she lived at Bella Vista apartment and awoke the
- 11) night of September 12, 2004, to lots of yelling (See RT
- 12) 168; RT 169) She saw appellant with something in
- 13) his hands - either a gun or a bat (See RT 170). Chris
- 14) Knox yelled at petitioner that he would kill petitioner
- 15) if he returned (See RT 170), petitioner raised the item
- 16) in the air (See RT 170), pointing it straight up (See
- 17) RT 172 (24-28)) He wasn't necessarily aiming it (See RT
- 18) 173 (1-2) and kept walking towards the parking lot. (RT 173)
- 19)

- 20) William Bloomfield (prosecution witness) a
- 21) 'armed' security officer at the apartment complex
- 22) (See RT 108), testified that he was on patrol the
- 23) night of September 12, 2004; when he heard yelling,
- 24) "he has a gun" (See RT 102) He then noticed
- 25) petitioner had a gun down to his side (See RT 104 (19-28))

Ground 1 (Argument 4) Supporting facts Continued:

- 1) See RT 111 (23-28) and never threatened anybody with
- 2) the gun (See RT 112 (1-26)) The petitioner then walked
- 3) to his truck. (See RT 113).

4)

- 5) Wherefore, petitioner did not deny being armed
- 6) with the firearm, petitioner asserts that he did not
- 7) use the firearm. Moreover, petitioner argues that his
- 8) testimony was the only testimony offered in his defense
- 9) to the altercation. However, petitioner declares that
- 10) when his testimony is taken in context along with
- 11) the additional prosecution witnesses, is proof positive,
- 12) that there is substantial evidence supporting the need
- 13) for the trial court to instruct the jury, on the lesser
- 14) included enhancement allegation Personally armed
- 15) with a firearm Pen C § 12022(a) or Pen C § 12022.3(b)

16)

- 17) Therefore, for each of these aforementioned reasons
- 18) and foregoing testimony, the trial court's failure to
- 19) instruct the jury on the elements that Pen C § 12022(a)
- 20) or Pen C § 12022.3(b), was a lesser included enhancement
- 21) for the Personal use of a firearm enhancement allegation
- 22) Pen C § 12022.5(a), was not a harmless error, and thus
- 23) reversal on the Personal use of a firearm enhancement
- 24) allegation Pen C § 12022.5(a) is highly required.

25)

Ground 1 (Argument 4) Supporting facts continued:

- 1.) Petitioner also contends that this error should

- 3.) appeal. The duties which appointed appellate counsel
- 4.) must fulfill his or her obligations as a competent

7) related offense." (See RT 282 (17-19)). Wherefore, the
8) prosecutor further stated: "And I agree, if I
9) stipulated to it, it would apply." (See RT 282 (28); 283)

10)

11) Petitioner claims that the trial court committed
12) a prejudicial error in refusing to instruct the jury
13) on Pen C § 417 as a lesser included/related offense
14) to the charge of Assault with a firearm Pen C §
15) 245(a)(2) (See RT 278-281) Petitioner basis this claim
16) on the following facts:

17)

18) 1) Pen C § 417, Brandishing a firearm is a lesser
19) related offense to Count 2 Assault with a firearm
20) Pen C § 245(a)(2).

21)

22) 2) Even though the prosecutor must agree to
23) stipulate to a lesser related offense, given the
24) circumstances of this particular case; and including
25) the fact that the prosecutor even stated: "And if
26) I agree, If I stipulated to it, it would apply"
27) (See RT 282 (28); RT 283) Should have prompted
28) the trial court to instruct the jury on Pen C § 417.

Ground 2 (Argument 5) Supporting facts continued:

1) 3) The defense ought not to be restricted by
2) the stringent constitutional limits upon the prosecutor's
3) right.

4) 4) Since the petitioner was found 'not guilty' of Count
5) 1 Residential Burglary (See RT 336), is proof positive
6) that the jury believed that when, or if the petitioner
7) entered the apartment he did not have the intent to
8) commit an assault with a firearm, actual innocents.

9) 5) While, a misdemeanor Simple Assault instruction
10) was given (RT 274-275; RT 299-301), as a lesser included
11) offense of Simple Assault with a firearm, the lesser
12) included offense of Simple Assault made no justification
13) as to the firearm, and thus was excluded out of
14) the realm of the jury and the jury was only left
15) with the Assault with a firearm, beings that petitioner
16) had a shotgun.

17) 6) There was substantial evidence in the record
18) to support a finding on Pen C § 417 and petitioner
19) theory of defense was consistent with only
20) Brandishing a firearm. Petitioner basis this claim
21) on the following trial testimony:

22) 26) Petitioner denied hitting Castro, denied
23) pointing a gun at Castro (See RT 224(7-8)) and held
24) the gun at his side the entire time (See RT 224(9-11))

Ground 1 (Argument 5) Supporting facts continued:

1) Petitioner also denied ever pointing the gun at
2) anyone in the apartment (See RT 224(12-14); RT 224
3) (25-28); RT 225 (1-2)). Petitioner contended that the
4) only contact that he had with Castro was to ask him
5) if he had petitioner's phone (See RT 225).

6)
7) Nina Talvera (prosecution witness) testified that
8) she lived at Bella Vista apartments and awoke the
9) night of September 12, 2004, to lots of yelling (See RT
10) 168; 169). She saw petitioner with something in
11) his hands - either a gun or a bat (See RT 170).
12) Chris Knox yelled at petitioner that he would kill
13) petitioner if he returned (See RT 170), petitioner raised
14) the item in the air (See RT 170), pointing it straight up
15) (See RT 172 (24-28)). He wasn't necessarily aiming it
16) (See RT 173 (1-2) and kept walking towards the
17) parking lot (See RT 173).

18)
19) William Bloomfield (prosecution witness) a 'armed'
20) security officer at the apartment complex (See RT 108),
21) testified that he was on patrol the night of
22) September 12, 2004, when he heard yelling, "he has
23) a gun" (See RT 102). He then noticed petitioner had
24) a gun down to his side (See RT 104 (19-28); RT 111 (23-28))
25) and never threatened anybody with the gun (See
26) RT 112 (1-26)). The petitioner then walked to his
27) truck. (See RT 113).

28)

Ground 1 (Argument 5) Supporting Facts Continued:

1) At trial, by petitioner's testimony in which he
2) did not deny being armed with the firearm, petitioner
3) raised the defense that he did not point or threaten
4) anyone with the firearm at all. Moreover, petitioner
5) argues that his testimony was the only testimony
6) offered in his defense to the altercation. Here, petitioner
7) declares that when his testimony is taken in context
8) along with the additional prosecution witnesses, is
9) proof positive, that there is substantial evidence
10) presented in petitioner's defense, that he only
11) committed a misdemeanor, a violation of Section 417,
12) of the Penal Code (the drawing, exhibiting or using
13) a firearm or other deadly weapon, and thus, under
14) the circumstances of the present case, it was error
15) for the trial court to fail to instruct on its own
16) motion on Pen C§ 417.

17)
18) Section 417 provides: Every person who, except in
19) self-defense, in the presence of another person, draws or
20) exhibits any [firearm, whether loaded or unloaded] in a
21) rude, angry or threatening manner, or who in any
22) manner, unlawfully uses the same in any fight or
23) quarrel is guilty of a violation of Penal Code
24) Section 417, subdivision (a) (b), a misdemeanor.

25)
26) In order to prove this crime, each of the
27) following elements must be proved:

28) 1) A person, in the presence of another person,

Ground 5 (Argument 5) Supporting facts continued:

1) drew or exhibited a [firearm, whether loaded or
2) unloaded];

3) 2) The person was not acting in lawful self-
4) defense; and

5) 3) That person did so in a rude, angry, or
6) threatening manner;] [or]

7) 3) That person, in any manner, unlawfully used
8) the [firearm] in any fight or quarrel].

9) As, the Supreme Court stated in Geiger: "[w]e find
10) no reason in law, justice, or common sense why a jury
11) that is not persuaded of the defendant's guilt of the
12) charged offense should not have the opportunity to
13) find him guilty of a lesser related offense where, as
14) here, the lesser offense is closely related to that charged,
15) there is evidence of its commission, and defendant's
16) theory of defense is consistent with such a finding."

17) While, petitioner acknowledged that Geiger, was
18) over turned by Birks, petitioner ~~challenged~~ challenged
19) Birks on several different reasons:

20) 1) The petitioner has no authority over what
21) charges the prosecution intends to file.

22) 2) The prosecution "must prove their case beyond
23) a reasonable doubt."

Ground 1 (Argument 5) Supporting facts continued:

1) 3) Even though petitioner acknowledges that it is
2) highly prejudicial to the prosecution, for a defendant
3) to request a lesser related offense over the prosecution's
4) objection, and for the fact that the prosecution has
5) not had an opportunity to argue against the lesser
6) related offense during trial, there must be existing
7) law in between the extremes of *People v. Geiger* and
8) *People v. Birks*. Petitioner basis this claim on each of
9) the following facts:

10) 1) As in this case, instruction on Pen C § 417, was
11) highly required because a procedure which affords
12) the trier of fact an additional option when the
13) evidence shows that the defendant is guilty of some
14) crime but not necessarily the one charged, especially,
15) in a situation like the present where the jury may be
16) convinced a defendant did something for which he ought to
17) be punished.

18) 2) Standing as it may be, the prosecutor must
19) agree to stipulate to the lesser related offense for
20) the jury to be instructed. Where as, in this particular
21) case, the prosecutor stated that he was not going to
22) stipulate to the lesser related offense, ~~AAAA~~ (See RT
23) 282 (17-19)). But the prosecutor then agreed, that
24) if he stipulated to Pen C § 417, it would apply. (See
25) RT 282 (28); RT 283)

26)

Ground 1 (Argument 5) Supporting facts continued:

1) Thus, the petitioner is deprived of his right to
2) a fair trial and deprived of due process because as in
3) this case, the prosecutor agreed that if he stipulated to
4) Pen C § 417, it would apply (See RT 282(28); RT 283), but then
5) the prosecutor declines to stipulate to the lesser related
6) offense of Pen C § 417 (See RT 282 (17-19), ~~that~~ Wrongfully
7) deprived the petitioner of his right to present a defense,
8) where, as here Pen C § 417 is closely related to Assault
9) with a firearm Pen C § 245(a)(2), there is substantial evidence
10) of its commission, and defendant's theory of defense is
11) consistent with such a finding. Additionally Pen C § 417
12) is a misdemeanor, while Assault with a firearm Pen C §
13) 245(a)(2) is a felony and carries 2, 3 or 4 years if convicted.

14)
15) Moreover, the defense ought not to be restricted
16) by the stringent constitutional limits upon the prosecutor's
17) right. Because there is substantial risk of an unwarranted
18) conviction which "diminishes the reliability of both the
19) fact-finding and the sentencing determination."

20)
21) Requiring related offense instructions allows "every
22) material issue presented by the evidence to be determined."

23) III
24) In addition, the trial court failure to instruct
25) the jury on lesser related offenses Pen C § 417, as in this
26) case, is also in conflict with pre-existing California,
27) Federal and United States law, because the ~~maximum~~
28) defendant has a Constitutional right to instruction.

Ground 1 (Argument 5) Supporting facts continued:

1) have the trial court instruct the jury on "every theory of
2) the case that is supported by substantial evidence.

3)

4) 7) Is the petitioner denied his Constitutional rights to
5) a fair trial, to present a defense and deprived of due process
6) of the law when the defense requests a lesser related offense,
7) the prosecution declines to stipulate to the lesser related
8) offense, but ~~admits~~ expressly admits that it would directly
9) apply?

10)

11) 8) Is the petitioner denied his Constitutional rights to a
12) fair trial and deprived of due process of the law when the
13) trial court fails to instruct the jury on Pen C § 417 as a
14) lesser related offense, when this theory of the case is
15) supported by substantial evidence?

16)

17) 9) Should the trial court have the power to instruct
18) the jury on its own motion as to a lesser ^{Related} ~~included~~ offense
19) when the theory of the case is supported by substantial
20) evidence, the prosecutor declines to stipulate to the lesser
21) related offense Pen C § 417, but expressly admits that if
22) he would stipulate to it, it would directly apply?

23)

24) Therefore, for each of these foregoing reasons, the trial court's
25) failure to instruct the jury on Pen C § 417 effectively removed from
26) the jury one of the principle defenses presented (that at most the
27) petitioner was only guilty of a violation of Pen C § 417, a misdemeanor)
28) constituted error in the circumstances of this case, and reversal is required.

Ground 1 (Argument 1)

1) Petitioner was deprived of his Fifth, Sixth
2) and Fourteenth Amendment right when his appellate
3) Counsel failed to raise an arguable issue on direct
4) appeal that the trial court erred by instructing
5) the jury on Caljic 2.02 and erred in failing to
6) instruct the jury on Caljic 2.01 jury instruction.

8) Supporting facts:

9) Petitioner contends that he was denied his
10) Constitutional right to effective assistance of Counsel
11) and deprived of due process of the law when his
12) appellate counsel should have raised an arguable
13) issue on direct appeal that the trial court erred by
14) instructing the jury on Caljic 2.02 Sufficiency of
15) Circumstantial Evidence to prove specific intent or
16) mental state and erred in failing to instruct the
17) jury on Caljic 2.01 Sufficiency of Circumstantial Evidence.

18)
19) Petitioner notes that he was charged in
20) Count 1 Residential Burglary Pen C§ 459 and 460.
21) Count 2 charged Assault with a firearm Pen C§
22) 245 (a)(2). Count 3 charged Possession of a firearm by a
23) felon Pen C§ 12021 (a)(1) and Count 4 charged Possession
24) of a deadly weapon Pen C§ 12020. Both Counts 1 and 2
25) alleged a personal use of a firearm enhancement

Ground 1 (Argument ~~b~~) Supporting fact Continued:

1) allegation in violation of Pen C § 12022.5(a) (See
2) CT 01 and CT 02)

3)

4) Petitioner asserts the trial court instructed

5) the jury on Caljic 2.02 jury instruction for the

6) specific intent in Count 1 (See CT 24; See also RT 288-289)

7)

8) However, petitioner claims that the trial court

9) should not have instructed the jury on Caljic 2.02 and

10) should have instructed the jury on Caljic 2.01, for

11) all petitioner's alleged charges. Petitioner basis this

12) claim on the following facts:

13)

14) The use notes to Caljic 2.02 states: "Caljic 2.01

15) and Caljic 2.02 should never be given together. This

16) is because Caljic 2.01 is inclusive of all issues, including

17) mental state and/or specific intent, where as Caljic

18) 2.02 is limited to just mental state and/or specific

19) intent. Therefore, they are alternate instructions. If

20) the only circumstantial evidence relates to specific

21) intent or mental state, Caljic 2.02 should be given,

22) [I]f the circumstantial evidence relates to other

23) matters, or relates to other matters as well as specific

24) intent or mental state, Caljic 2.01 should be given

25) and not Caljic 2.02 [Citations] (See use note to Caljic

Ground 1 (Argument ~~1b~~) Supporting facts Continued:

- 1) No. 2.02) (2006 ed.)
- 2)
- 3) Wherefore, petitioner next claims that the
- 4) circumstantial evidence in this case related to other
- 5) matters, ~~namely~~ as well as specific intent, in which
- 6) the trial court should have instructed the jury on
- 7) Caljic 2.01, instead of Caljic 2.02. Petitioner basis this
- 8) claim on the following facts: The trial court stated:
- 9) "I Guess the question is, is there any circumstantial
- 10) evidence upon which the people are relying to establish
- 11) any of the elements of the other counts charged? (See
- 12) RT 267 (21-24)).
- 13)
- 14) Mr. Link (the prosecutor): "Just the fact that he got
- 15) into his car and sped away and threw the shotgun out the
- 16) window, that all goes to the fact that he was trying to get
- 17) away from the police for a greater crime then just felony
- 18) possession of a firearm (See RT 267 (25-28); RT 268)
- 19)
- 20) Thus, the trial court refused to give Caljic 2.01
- 21) jury instruction. (See RT 268).
- 22)
- 23) The prosecutor also relied on an inference of
- 24) petitioner's guilt, that petitioner fled from the scene
- 25) during his closing argument to the jury (See RT 312; RT 313).

Ground 1 (Argument ^(b)) Supporting facts Continued:

1) Moreover, the trial court did instruct the jury
2) on Caljic 2.52 Flight after crime (See CT 35; See also
3) But as petitioner raised on direct appeal, that even if
4) the flight instruction was appropriate, the pattern
5) instruction required modification in this case. (See Case
6) No. D046320)

7)
8) Here, because flight after a crime is substantial
9) circumstantial evidence that even if the trial court did
10) modify Caljic 2.52 instruction and instructed the jury
11) it had to make a preliminary factual finding before
12) it could infer any consciousness of guilt from
13) petitioner's departure, since there was substantial
14) evidence that showed an innocent reason for petitioner's
15) departure and thus, warranting the need for Caljic 2.01
16)

17) Furthermore, if the jury is permitted to find a
18) consciousness of guilt based on circumstantial evidence,
19) without making the requisite factual finding as set
20) forth in Caljic 2.01, the prosecution's burden is lessened
21) and there is a danger of jury reliance upon an
22) irrational or unjustified inference in violation of
23) petitioner's Sixth and Fourteenth Amendment rights.
24) Additionally, a preliminary fact finding as set forth
25) in Caljic 2.01, was very important because the

Ground 1 (Argument ~~B~~) Supporting Facts Continued:

- 1) jury received evidence that petitioner's life had been
- 2) threatened by Chris Knox.

3)

- 4) Jose Castro (the alleged victim) testified for the
- 5) prosecution that: From June 2004 through September 2004,
- 6) he lived with Rebecca and Christopher Knox in their
- 7) two bedroom apartment (See RT 27-28) During this
- 8) time he had seen lots of arguments between
- 9) Mr. Cunningham (petitioner) and Mr. Knox (See RT 39
- 10) (10-19); RT 40 (1-2)) Where as Chris Knox threatened
- 11) to kill petitioner ever since Castro moved into the
- 12) Knoxes apartment (See RT 40) The Knoxes apartment was
- 13) right upstairs from petitioner's apartment. (See RT 27)

14)

- 15) Rebecca Knox (prosecution witness) testified that
- 16) Christopher Knox and petitioner had previous
- 17) arguments (See RT 80 (3-4)).

18)

- 19) Nina Talvera (prosecution witness) testified that
- 20) Chris Knox yelled at petitioner, that he would kill
- 21) petitioner if he returned (See RT 70)

22)

- 23) Petitioner testified that he was afraid of
- 24) Chris Knox because of the bat and Chris threats
- 25) (See RT 223) While petitioner stated on cross

Ground 1 (Argument 6) Supporting facts Continued:

1) examination that he left to avoid arrest (See RT 207;
2) RT 208), there was substantial evidence demonstrating
3) that petitioner left for innocent (Safety) reasons and
4) had nothing to do with consciousness of guilt
5) inference permitted to the charged offenses. Also to
6) the extent the jury might have inferred from the
7) evidence that petitioner left because he was a
8) felon in possession of a firearm, which would not have
9) inferred guilt as to the major charges set forth in
10) Counts 1 and 2. The jury could have also inferred from
11) the evidence that the petitioner left to "cool down"
12) (See RT 219), just as he left the Knoxes' apartment, and
13) should be encouraged by the law, and certainly carried
14) with it no consciousness of guilt.

15)
16) Also, the 911 tape, which was played for the jury,
17) and for which they had a transcript (See RT 76; RT 77),
18) also revealed Chris Knox threatened to shoot petitioner
19) in the face ["I'm going to shoot you in your face, you
20) come up here again."] (See CT 9)

21)
22) Where there is evidence that suggest a reason
23) for a prejudicial circumstantial inference of guilt
24) by flight other than consciousness of guilt, the
25) trial court should have instructed the jury more

Ground 1 (Argument B) Supporting facts Continued:

1) specifically as to whether or not the evidence shows
2) a consciousness of guilt, and what significance to
3) attach to it, are questions of fact the jury must
4) determine. Thus, a finding of guilt as to any crime
5) may not be based on circumstantial evidence unless
6) the proved circumstances are not only (1) consistent
7) with theory that petitioner is guilty of the crime, but
8) (2) cannot be reconciled with any other conclusion (See
9) Caljic 2.01).

10)
11) The trial court's failure to instruct the jury
12) on Caljic 2.01, for all alleged counts, was an error
13) of constitutional dimension in that it permitted the
14) jury to infer guilt if it found that petitioner fled,
15) without being instructed being instructed that it
16) cannot be reconciled with any other conclusion, thereby
17) lessening the prosecution's burden and violating
18) petitioner's right to trial by jury and due process. The
19) permissible inference of guilt displayed by the trial
20) court's failure to sua sponte instruct the jury on
21) Caljic 2.01, improperly undermined petitioner's
22) presumption of innocence on all alleged charges.

23)
24) Petitioner leaving the scene where his life had
25) been threatened by a yelling man armed with a bat,
Pg. 9

Ground 1 (Argument 6) Supporting facts Continued:

- 1) and threatening to shoot petitioner in the face, did
- 2) not support the prejudicial circumstantial inference
- 3) of guilt.

- 4)
- 5) The trial court's failure to instruct the jury on
- 6) Caljic 2.01, left the jury's attention directed towards
- 7) flight, and a highly prejudicial inference of guilt.
- 8) Even though the instruction of flight was permissive,
- 9) petitioner argues that flight was one type of
- 10) substantial prejudicial circumstantial evidence of
- 11) guilt that could "establish guilt" on all petitioner's
- 12) alleged charges, and thus, warranting the need for
- 13) the trial court to sua sponte instruct the jury on
- 14) Caljic 2.01, instead of Caljic 2.02.

- 15)
- 16) Petitioner next contends that the 911 tape
- 17) which was played for the jury, and for which they
- 18) had a transcript (See RT 76; RT 77; See also CT 8-14)
- 19) was substantial circumstantial evidence supporting
- 20) the need for the trial court to sua sponte instruct
- 21) the jury on Caljic 2.01, as to all alleged charges.
- 22) Petitioner basis this contention on the following facts:

- 23)
- 24) 1) Petitioner proclaims that the 911 tape was
- 25) circumstantial evidence because statements are

Ground 1 (Argument 1) Supporting Facts Continued

- 1) nontestimonial when in the course of police interrogation
- 2) under circumstances objectively indicating that the
- 3) primary purpose of interrogation is to enable police
- 4) assistance to meet an on going emergency. As in this case.
- 5)
- 6) 2) Further, circumstantial evidence is defined in
- 7) (Black's law dictionary) as 2. All evidence that is not given
- 8) by testimony.
- 9)
- 10) 3) The prosecution relied on the 911 tape "Circum-
- 11) stantial evidence" during his closing arguments. (See RT 310-311)
- 12)
- 13) 4) Also not to go unnoticed, the jury requested to
- 14) re-hear the 911 Call "Circumstantial evidence" during
- 15) deliberation. (See RT 334(2-6))
- 16)
- 17) 5) Indeed, the circumstantial evidence of the 911 tape
- 18) was also susceptible of a reasonable interpretation
- 19) and reconciled with other conclusions that pointed to
- 20) the petitioner's innocence. Specifically, petitioner testified
- 21) that he never pointed the gun at Mr. Castro (See RT 224
- 22) (7-8)); held the gun at his side the entire time (See RT 224
- 23) (9-11)) and never pointed it at anybody in the
- 24) apartment (See RT 224 (12-14); See also RT 224 (25-28);
- 25) RT 225 (1-2))

Ground 1 (Argument 6) Supporting facts Continued:

- 1) Petitioner hereby concludes that the 911 tape was
- 2) also yet another type of substantial prejudicial
- 3) circumstantial evidence of guilt that could "establish
- 4) guilt' on all petitioner's alleged charges, which is
- 5) proved by the fact the jury wanted to re-hear the 911
- 6) call during deliberation, and thus, warranting the need
- 7) for the trial court to instruct the jury on Caljic 2.01
- 8) jury instruction.
- 9)

- 10) Petitioner declares that, the fact that the trial
- 11) court instructed the jury on Caljic 2.02 for Count 1
- 12) Residential Burglary, and given the defense position, the
- 13) jury returned a verdict of 'not guilty' on Count 1
- 14) (See RT 336 - 339), a reasonable person would only
- 15) conclude that, had the jury been instructed on the
- 16) general principles of Caljic 2.01 instruct, as to all
- 17) counts, might have essentially tipped the scales in the
- 18) petitioner's favor, especially as to Count 2 Assault with
- 19) a firearm Pen C § 245(a)(2) and the jury would have
- 20) also found the petitioner not guilty on Count 2.
- 21)

- 22) In addition, not to belabor the point at all, the
- 23) prosecution admitted that there was a lot of
- 24) circumstantial evidence, during his closing arguments
- 25) to the jury. (See RT 311 (3-5)). The prosecution also

Ground 1 (Argument 1b) Supporting Facts Continued:

1) told the jury that they would get a
2) circumstantial evidence instruction (See RT 322 (4-10))

3)

4) Therefore, Petitioner argues that because the 911
5) tape and flight risk was circumstantial evidence
6) alone, which was relied upon for proof of guilt and
7) this evidence was essential in order to procure his
8) conviction (which is proved by the fact the jury
9) wanted to re-hear the 911 tape during deliberation),
10) the trial court had a sua sponte duty to instruct
11) the jury on Calgic 2.01 Sufficiency of Circumstantial
12) Evidence -- Generally as to all alleged charges, was
13) not a harmless error and so painfully prejudiced
14) the petitioner's ability to defend against the
15) the charges. Since the jury was never instructed on
16) the necessary general principles of law that is
17) governing circumstantial evidence and thus, reversal
18) is required.

19)

20) Petitioner also contends that this error should have
21) been raised by his appellate counsel on direct appeal. The
22) duties which appointed appellate counsel must fulfill his
23) or her obligations as a competent advocate include the
24) duty to argue all issues that are arguable. However, due
25) to the inexcusable failure of his appellate counsel to
26) raise this crucial assignment of error that arguably might
27) have resulted in reversal deprived the petitioner of
28) effective assistance of counsel on direct appeal.

Ground 1 (Closing Arguments)

1) Petitioner argues that there can be no doubt
2) that the exclusion of each of the aforementioned
3) jury instructions and elements was not a harmless
4) error because it so painfully prejudiced the
5) petitioner's ability to defend against the charges,
6) since the jury lacked the general principles of
7) law relevant to their very need of understanding
8) the facts and laws in the course of this trial.
9) Therefore, absent these many and various foregoing
10) jury instructions, justice requires at the minimum
11) of minimums, the verdict be put aside in this
12) matter and the petitioner be granted a new trial
13) But when each of these foregoing reasons are taken
14) together, cumulatively, justice require outright
15) reversal.

Supporting FACTS: (See Attached)

Did you raise GROUND TWO in the California Supreme Court?

☐ Yes ☒ No. Please see Request for Stay and Abeyance
(Exh H.)

If yes, answer the following:

- (1) Nature of proceeding (i.e., petition for review, habeas petition): *Petition for review*
- (2) Case number or citation: *D046320*
- (3) Result (attach a copy of the court's opinion or order if available): *Denied*

1066

Ground 2 (Argument ~~2~~ 1)

- 1) Petitioner was deprived of his Fifth, Sixth and
- 2) Fourteenth Amendment rights when his appellate counsel
- 3) erred in failing to raise an arguable issue on direct appeal
- 4) that the trial court wrongfully denied the defense's motion
- 5) for mistrial on the grounds that the prosecution wrongfully
- 6) excluded several African American males out of the jury.

7)

8) Supporting facts:

- 9) Petitioner contends that he was denied his
- 10) Constitutional rights to effective assistance of counsel
- 11) and deprived of due process of the law when his
- 12) appellate counsel erred in failing to raise an arguable
- 13) issue on direct appeal that the trial court wrongfully
- 14) denied the defense's motion for mistrial on the grounds
- 15) that the prosecution wrongfully used his peremptory
- 16) challenges to exclude several African American out of
- 17) the jury pool.

18)

- 19) Petitioner asserts that on January 5, 2005, he went
- 20) to trial on Four separate Counts (See CT 01 and CT 02)

21)

- 22) Petitioner claims that upon selecting a jury, the
- 23) prosecution wrongfully dismissed several african americans
- 24) out of the jury. Petitioner basis this claim on the
- 25) following facts:

26)

- 27) 1.) Petitioner notes that he is an African
- 28) American male.

29)

Ground 2 (Argument 1) Supporting facts continued:

1) 2) The prosecutor wrongfully used his peremptory
 2) challenges by eliminating African American prospective
 3) jurors. At one particular time excluding an African American
 4) male from the jury stating: "I don't like the way he was seating".
 5)

6) 3) The defense counsel objected and moved for an
 7) immediate mistrial. The trial judge overruled the objection
 8) and denied the defense's motion for mistrial.
 9)

10) However, petitioner does not have any Reporter's Transcripts
 11) to support this foregoing claim, due to the fact that
 12) his appellate counsel was ineffective for failing to augment
 13) the record of the jury's voir dire, and thus, petitioner
 14) never received the relevant transcripts of his jury's voir dire.
 15)

16) Wherefore, petitioner also claims that his appellate
 17) counsel should have requested that the record be augmented
 18) or corrected for each of the following reasons:
 19)

20) 1) Petitioner told his appellate counsel about what
 21) had transpired during his jury's voir dire, but obviously to
 22) no avail, the appellate counsel failed to augment the
 23) record and conduct a reasonable examination into the
 24) petitioner's alleged claim.
 25)

26) 2) When the appropriate record is missing or incomplete,
 27) counsel must see that the defect is remedied by requesting
 28) augmentation or correction of the appellate record or by

2 of 6

Ground 2 (Argument 2) Supporting facts continued:

1) other appropriate means.

2)

3) Moreover, the defect in the record constituted the

4) inadequate assistance of counsel on appeal, since counsel ~~should~~

5) has not provided that advocacy which permits "full

6) consideration and resolution" of the appeal, as required by

7) the Constitution.

8)

9) In addition, petitioner has attached a supporting

10) declaration, specifically declaring that he did not receive

11) the Reporter Transcripts of his jury's voir dire (See Exh. D)

12) and has since then requested the trial court provide him

13) ~~off~~ with a free copy of the missing jury's voir dire portion

14) of his Reporter Transcripts (See Exh. ~~etc~~)

15)

16) Petitioner argues that for each of these foregoing

17) reasons that are set forth above, the appellate counsel

18) should have requested that the record be augmented or

19) corrected to include the jury's voir dire of the petitioner's

20) Reporter Transcripts.

21)

22) Therefore, the appellate counsel's complete

23) failure to augment the record to include the jury's

24) voir dire, constituted inadequate assistance of counsel on

25) appeal because the appellate counsel's failure to review

26) the missing records, deprived the petitioner of his

27) Constitutional right to complete and effective appellate review

28) of his conviction. Had the appellate counsel augmented the

406

Ground 2 (Argument 2) Supporting facts continued:

- 1) record, and examined it for this alleged claim, she might
- 2) have very well acknowledged this claim, found it to have
- 3) merit and raised it on direct appeal.
- 4)
- 5) Thus, due to the inexcusable failure to raise this
- 6) crucial assignment of error on direct appeal that arguably
- 7) might have resulted in reversal deprived the petitioner
- 8) of effective assistance of counsel, and thus, should
- 9) entitle the petitioner to a reversal; a recall of the
- 10) remittitur, and allow the Petitioner's Reporter Transcripts
- 11) to be reviewed and re-raised on direct appeal.

Ground 2

1) Petitioner was deprived of his Fifth, Sixth
2) and Fourteenth Amendment rights when he was denied
3) the effective assistance of counsel on direct appeal
4) because his appellate counsel was incompetent and
5) ineffective when she failed to raise substantial
6) allegations of error on direct appeal that arguably
7) might have resulted in reversal.

8)
9) Petitioner contends that he was denied his
10) Constitutional right to effective assistance of counsel
11) and deprived of due process of the law when his
12) appellate counsel was ineffective for failing to
13) raise substantial assignments of error, that
14) Petitioner has set forth in Ground 1
15) that arguably might have resulted in reversal of
16) his convictions.

17)
18) On September 15, 2004, a Four Count
19) Information was filed charging Defendant/Petitioner,
20) James A. Cunningham (Petitioner) with offenses occurring
21) in San Diego County. Count 1 charged Petitioner
22) with first degree burglary of an inhabited dwelling
23) in violation of Pen C§ 459 and 460. Count 2
24) charged Petitioner with Assault with a firearm in
25) violation of Pen C§ 245(a)(2). Count 3 charged

Ground 2 Supporting facts Continued:

- 1.) Petitioner with unlawfully possessing a firearm

- 3.) charged petitioner with unlawfully possessing a
- 4.) short-barreled shotgun in violation of Pen C §
- 5.) 12026 (a)(1). As to Counts 1 and 2, the information
- 6.) alleged that petitioner personally used a firearm
- 7.) within the meaning of Pen C § 12022.5 (a). The
- 8.) information also alleged petitioner had suffered
- 9.) a prior strike conviction and conviction of a
- 10.) serious felony within the meaning of Pen C § 667.
- 11.) (b) through (i) and subd, (a), respectively.

12.)

- 13.) On January 6, 2005, a jury found petitioner
- 14.) 'not guilty' of Count 1 and found him 'guilty'
- 15.) of Counts 2 through 4. Petitioner waived a
- 16.) jury trial on the prior allegations. (See RT 335)

- 17.) On January 10, 2005, petitioner admitted the prior
- 18.) strike and prior serious felony allegations (see RT 411)

19.)

- 20.) On March 9, 2005, the Court declined to
- 21.) dismiss petitioner's strike, and imposed the low
- 22.) term of two years on Count 2, doubled to four
- 23.) years based on petitioner's strike, plus a concurrent
- 24.) low term of 16 months, doubled to 32 months on
- 25.) Count 3, plus a low term on Count 4, which the

Ground 2 Supporting Facts Continued:

- 1) the court stayed pursuant to Pen C § 654. The
- 2) Court additionally imposed a low term, three-year
- 3) enhancement for the firearm allegation, plus a five
- 4) year enhancement for the serious prior, for a
- 5) total prison term of 12 years (see RT 462-463; See also
- 6) CT 93; CT 94)
- 7)
- 8) On April 22, 2005, petitioner timely filed a
- 9) notice of appeal (see CT 95). Petitioner retained
- 10) private counsel Susan K. Keiser for appellate counsel.
- 11)
- 12) On September 19, 2005, appellate counsel
- 13) filed petitioner's opening brief. Petitioner appellate
- 14) counsel raised three issues on direct appeal.

- 16) Argument #1: The trial court erred by denying
- 17) appellant's request to cross-examine Rebecca Knox
- 18) regarding her prior domestic ~~violence~~ violence
- 19) accusations against her husband, Christopher
- 20) Knox, which she later recanted, and thereby
- 21) violated appellant's State and Federal Constitutional
- 22) rights to present a defense and to cross-examine
- 23) witness against him.
- 24)
- 25) Argument #2: The trial court erred in giving

Ground 2 ~~for~~ Supporting Facts Continued:

- 1) Caljic Number 2.52, The Statutory flight instruction,
- 2) over defense objection thereby violating appellant's
- 3) due process rights.
- 4)
- 5) Argument 3: The court erred by denying the
- 6) defense request to instruct with Caljic Number 12.50
- 7) when the evidence warranted such instructions, and the
- 8) failure to instruct impermissibly reduced the
- 9) prosecution's burden of proof and violated appellant's
- 10) due process and trial rights. (See Court of Appeal
- 11) Case No. D046320)
- 12)
- 13) Petitioner has strong doubt that his appellate
- 14) counsel adequately reviewed his Reporter's Transcript
- 15) which is proven by the fact that petitioner raised
- 16) the aforementioned legal arguments.
- 17)
- 18) Moreover, judged by the foregoing criteria
- 19) that the petitioner has set forth in each argument
- 20) that the representation by his appellate counsel
- 21) before the court of appeal was demonstrably
- 22) inadequate. As petitioner has set forth in this
- 23) instant action, each of the counts on which
- 24) petitioner was convicted is outright potentially
- 25) vulnerable to legitimate and provocative

Ground 2 Supporting facts Continued:

- 1.) appellate contentions that should have been beyond a
- 2.) reasonable doubt, been manifest to a alert any
- 3.) responsive attorney.

- 4.)
- 5.) Wherefore, petitioner has catalogued the
- 6.) several arguments in ground 1, which his appellate
- 7.) counsel failed to raise on his behalf, each alone
- 8.) concludes that petitioner is likely to have obtained
- 9.) a reversal on appeal and which can only demonstrate
- 10.) and prove by substantial evidence that his appellate
- 11.) counsel did not render the thoughtful assistance
- 12.) to which he was entitled, and demonstrates that the
- 13.) petitioner was deprived of more than one crucial
- 14.) assignment of error that might have resulted in reversal.

- 15.)
- 16.) In effect, petitioner was not represented by
- 17.) counsel, and was thus, clearly denied his right to
- 18.) effective assistance of counsel on direct appeal.

- 19.)
- 20.) Therefore, petitioner argues that due to the
- 21.) inexcusable failure of his appellate counsel to
- 22.) raise these crucial aforementioned arguments that
- 23.) petitioner has set forth in Ground #1, on direct
- 24.) appeal that arguably might have resulted in
